

# ROOM SPONSORSHIP OPPORTUNITIES

"I don't know where  
I'd be without you."

*Father of two*

Haven Kids' House offers a unique service to Saskatoon families, providing 24-hour, 365-day emergency childcare in times of crisis, family emergency or high stress.

Our dedicated staff work around the clock, answering emergency calls and caring for kids age newborn to 12.

We provide cozy beds, nutritious food, an outdoor play space, safety and fun activities for kids during their time with us.

For the first time, Haven Kids' House is excited to offer Room Sponsorship Opportunities and we want to partner with you!

Help us transform our spaces: With your imagination and your support, we can create and maintain something incredible.

# ROOMS FOR YOU TO SUPPORT

Learn about our room sponsorship opportunities. Every room sponsored for one or multiple years give us more financial security, freeing us to do the important work of caring for kids.

## HEART OF THE HOUSE

Haven Kids' House is a three-story house with prominent visibility up our long staircase. As kids and families enter our embrace for the first time, this is their first experience of the space. Kids move through the heart of the house, into our kitchen where they enjoy healthy meals. This sponsorship also includes our emergency call room, where we support families day and night on our crisis line.

With this sponsorship, we will refresh this space with an Indigenous-inspired, timeless, woodland theme artwork. Every time kids and staff move throughout the house, a beautiful reminder of courage, strength and hope. The opportunity to sponsor this area of Haven Kids' House is unique as it honours our work towards Truth and Reconciliation. This sponsorship includes our entry area where we meet with families, kitchen where the children enjoy healthy meals and our work space with our crisis line.

## **MULTI-YEAR SPONSORSHIP OPPORTUNITIES**

When you commit to a three-year room sponsorship you help us support families sustainably. We want to thank you and share your generosity with our community and we have lots of ways to do this.

Together we'd like to create a multi-year plan.

Let's partner!

"I literally wanted to crumble. I was reaching out to everyone I could, every agency I could and nobody was helping me with my other children. My baby was in the hospital and I had to help him learn how to feed.

Me being able to be there meant he could come home from the NICU in ten days. I am forever grateful to this home and this agency."

*Mother of four*

Thank YOU for considering a Room Sponsorship at Haven Kids' House. We look forward to partnering!
